PRINCIPAL'S

MESSAGE

CARL GREGORY

Congratulations to the class of 1992! The entire Central High School family is extremely proud of you and we applaud your efforts in attaining another milestone on the road of life. We wish you continued success in all your future endeavors and hope that you look back on your time at Central as one of the positive experiences of your life. Our school is a better one because of your many contributions and support. Without the thoughtful participation of all of you, the wheel which makes this school function would not turn. Even though you will no longer grace our halls and classrooms, you are forever a "Blue Devil." You have become a part of it as it has become a part of you and this can never be erased.

It is my deepest and most sincere hope that your Central High School experience has raised your level of consciousness such that you cannot only appreciate the beauty that life has to offer, but can critically assess those things that must be changed. I hope and trust that you realize that you must never stop learning; that you must continue to pursue your education; that you look at the future with optimism rather than despair; that you recognize and respect the dignity and worth of all human beings; that you are cognizant that the best part of living is giving and that you obligate yourself

to serving others as well as yourself. Always remember to "Keep Your Eyes On The Prize" and make a difference by your contribution towards the development of **humanity!**

In the total spectrum of humanity, we have placed a burden on the children of the nineties. For it is you who will lead us out of our current confusion of world hunger, greed and exploitation. This is the time when you must ask yourself, "What road will I travel? What path will I leave for those who follow behind?" The situation is forced upon you by the times. But it is up to you to determine if your entry in the annals of human existence will be a positive one or a negative one. Take the high road. Assess your strengths and capitalize on them. Determine your weaknesses and overcome them. Dare to challenge old found principles not based on justice, logic, love and human kindness. Dare to be the very best of what you are and remember always that the seed of conscious as opposed to unthinking behavior was planted at Central. We are counting on you to make it flourish and grow. Again I say to you, "Keep Your Eyes On The Prize."

"Education and learning have to become tools for shaping the future and not devices of privilege for an exclusive few."

FOOTBALL

The 1991-1992 Central H.S. Football Team lived up to the proud tradition of quality football in New Jersey. After three years in The Mountain Valley Conference, the Blue Devils finished with a strong 5 and 4 record showing why they were ranked #6 in Essex County by the Sports Writers Football Poll.

Having eight players making first and second team All Conference, four players achieving first and second team All Essex County, and one player receiving All-State honors; the Mighty Blue Devils have developed into a force to be dealt with.

Buckle - Up - It's the law - Central Football.

Markee Strickland #23 kicks off as Dennis Julu #61 goes on the attack. T'Quan Lassiter #7 shows his break-away speed. Fourth row. Head coach Schumacher studies the opponents as the assistant coaches give out instructions.

SOCCER

The Central H.S. Blue Devils Soccer Team successfully finished it's 1991-1992 season with a 9-5-3 record, which earned them a second place in the Group IV Mountain Conference and Top Ten ranking in Essex County.

With the training and guidance of coaches Carlos Curling and Eric Dougé, and the support of athletic director Steven Cole, the Blue Devils exhibited the talent, the unsurpassed skills and the sportsmanlike conduct of a championship team, which earned for them the accolades and respect of their competitors.

The Central H.S. family takes pride in the laudable effort of the Soccer Team this season and wishes to specially congratulate our All-County Forward James Soiro (senior), All-County Defender Quebay Milfort (junior), All-Conference Forwards James Soiro and Carlo Fabre (seniors) and All-Conference Goal-keeper Hancy Dameus (senior).

The coaches salute the following graduating members of the team: Pascal Altema, Edwin Cherry, Hancy Dameus, Mamadou Diop, Jean Dorcely, Carlo Fabre, Patrick Manasse, Roel Manning, James Soiro, Daniel Toussaint who have been inspiring role models for the underclassmen on the team.

Quebay Milfort sets up an offensive attack with senior midfielder Pascal Altéma. Captain James Soiro dribbles past a defender to score. Keeping the pressure on, Captain James Soiro takes one of eleven shots on goal. Senior Carlo Fabre is ready to take on a second defender to score his 9th goal of the season.

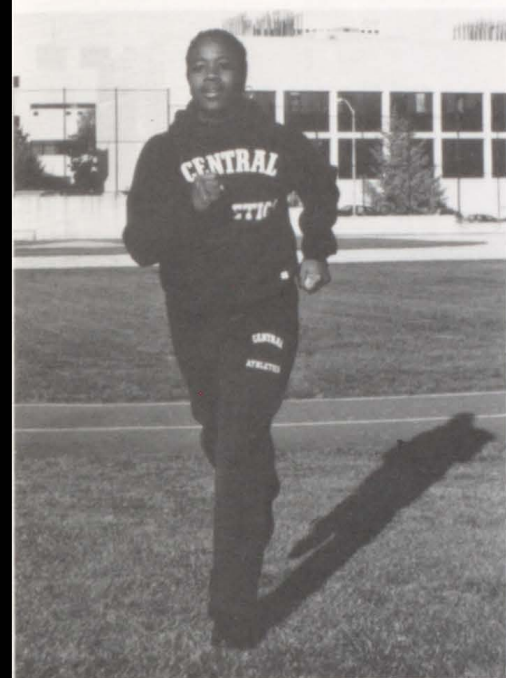

CROSS-COUNTRY

The Central H. S. boys and girls Cross Country Team has made Central very proud. Winning their first meet of the season, the girls took first, second, third, fourth, fifth, even sixth places one after the other. Taking first was Rahshida Smith, a junior, who ran the winning time of 23:01 for the 3.1 mile run.

Alfuquan Daniels, a senior, led the boys with a time of 19:16 which gave him the third place position. The team has really shown they can compete with the best, being amongst the top ten schools competing at the Mountain Valley Conference Championship. Led by Coaches Gregory Stewart and Scott Durham, the team will prove that they can win.

TRACK

During the 1990-1991 indoor and outdoor season the track team proved their ability. The boys won the Queen of Peace meet, the first meet of the season. That young group of boys consisted of Michael Livingston, Alfuquan Daniels and Bernard Anderson.

The girls placed first in the mile relay by a margin of 100 yards. But this young team did not stop there. They went on to win a great number of their dual meets, which told other teams that Central was back and ready to win. The girls won first place in the Mountain Valley Championship's mile relay. The boys with great effort placed third. Central's winning relay team, for the girls, consisted of Akilah Smith, Rahshida Smith, Andrea Bryant and Princess Helms. The boys team consisted of Michael Livingston, Alzumar Jenkins and two other students who graduated last year.

Not only did Central do well on the track, but they excelled in field events as well. Loretta Fenney and Susie Simmons were great in the shotput, discus and javelin events. This was their first year doing these events and they already are amongst the top ten in Essex County. Akilah Smith and Princess Helms competed in the long jump both exceeding 15 feet. Jason Chambers long jumped for the boys and also created great acknowledgements for himself. Rahshida Smith and Gina Ransome high jumped their way to being 5th in Essex County. The team will not stop until they reach the top. Three of the team were finalists in the state sectionals, Akilah Smith (400 yd. dash). Other members of the team are Alfuquan Daniels, Roel Manning, Susie Simmons, Kimberly Haskins, Gloria Bradley, Temetris Botts, And Tonya Marsh.

BOYS BASKETBALL

The Central H.S. Blue Devils boys basketball team was led this year by a trio of underclassmen. They are juniors Kareem Spence, Tyrone Davis and sophomore Jessie Sanders. Kareem led the team with a 20.7 point and 10 rebound effort. Jessie was next with a 10.6 point and 9 rebound P.G.A. Tyrone was third with a 9 point P.G.A.

Making up the rest of the starting five was freshman Omar Durham who did a very fine job as point guard and junior Terry Pridgen who played the small forward spot.

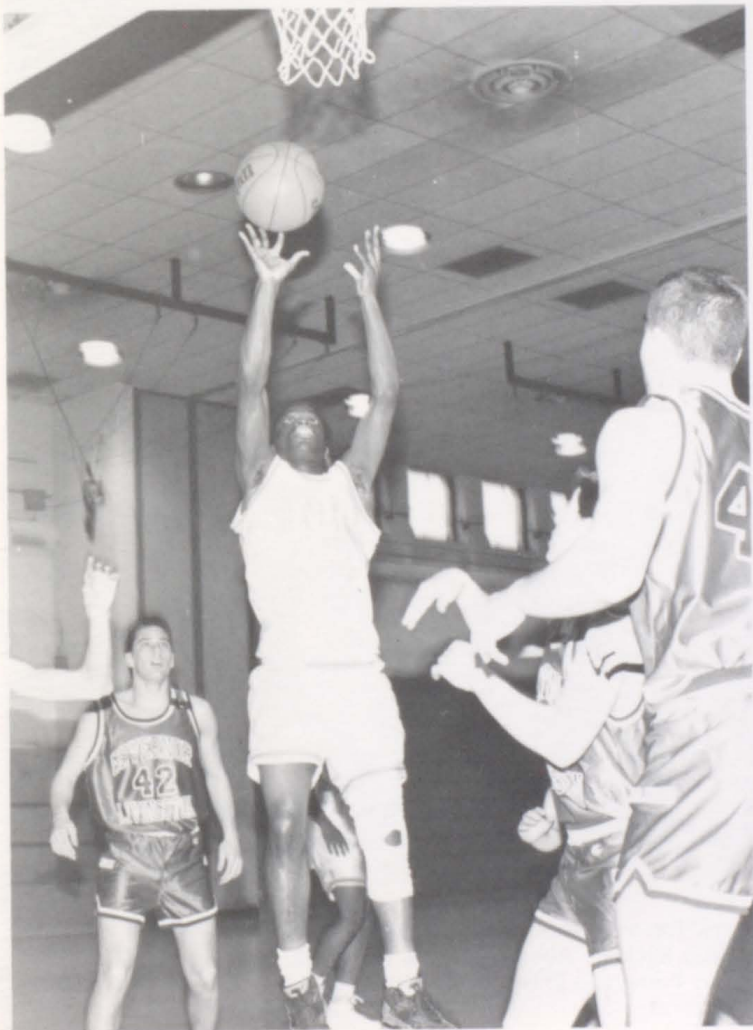

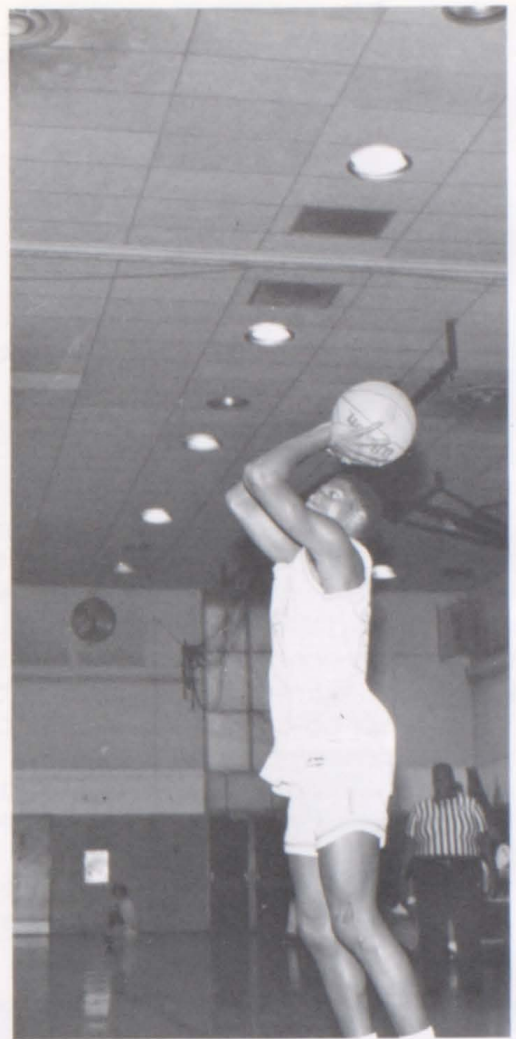

The rest of the team was made up of first year seniors Mark Wiggins, Charles Woolridge and Dwight Gidden who did a very good job coming off the bench. Junior Jawhar Pray, sophomore Tarik Majors and freshman Marquis Brinson made up the rest of the team.

For the first time in five years this year's team will be at the head of the state playoffs and this team has the potential to make a good showing.

GIRLS BASKETBALL

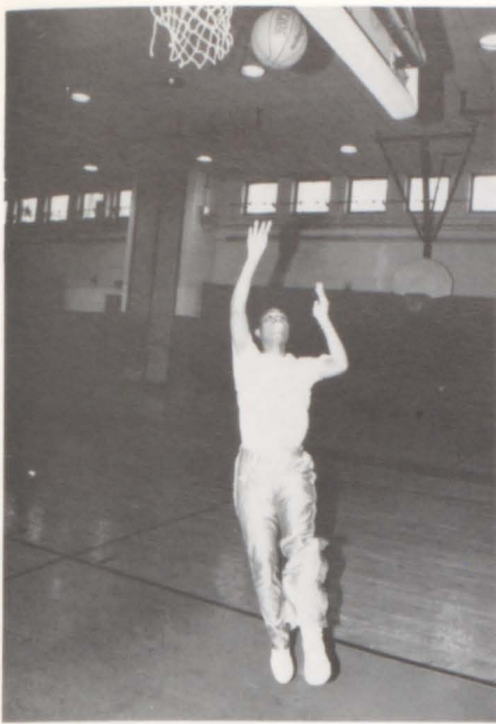

This season the Girls Basketball Team had a tremendous year. We had a record of 19-5, the best record in a long time. This year's team mates were Tina O'Neal, Lisa O'Neal, Tysia Gurly, Casandra Mac Laughlin, Arbitisha Kitchen, Laneisha Jefferson, Shonda Williamson, Janet Hernandez, Tameka and Tweety bird, Ayesha Rogers.

The senior co-captains would like to thank their coach, Mrs. Watson and assistant coaches Mr. Martin and Mr. Howard for giving them the best season they have had since their freshman year. They would also like to thank their teammates.

Central is looking forward to an even better season next year when they hope to win the first Girls Basketball Team State Championship pennant.

WRESTLING

The 1992 Central's Wrestling Team had its first season in the Mountain Valley Conference. The team's record of (1-12) does not reflect the fine performance of these young men. Heavyweight Domingo Graham became the first Central wrestler to win a New Jersey State District 10 Title and become a potential state finalist. In the Mountain Valley Conference, 152 lb. Marki McCrae had a record of 3-1-1 and freshman sensation 125 lb. Hassan Sims finished 3-2. Central's 105 lb. Carlos Sulut, Antwan Knight, Kenneth Bunn and Ronnel Walker all return next season.

Central's Antwain Knight holds on to his Millburn opponent. Central's 152 lb. Marki Mc Crae breaks down his Union opponent.

BOWLING

This year, Central's Bowling Team was dynamic! The Blue Devil squad was comprised of ten cooperative and eager players. Under the capable leadership of Coach Josephine DeCree, our team placed third in the final standing. Over the last three years, Central's Blue Devils have become worthy competitors who richly deserve praise and recognition for their achievements. The team observed the guidelines of the competition, and participated in the spirit of fair play. All the bowlers maintained positive and open attitudes and performed to the best of their abilities. Our outstanding bowler for the season was Chi-que Jones who had several 200 games. Sharita McNair bowled a 209 game, and Aquil Onque bowled 199. Veteran bowler, Andre Talbert, was ineligible to bowl this season, but he was a valuable assistant to the coach and an inspiration to the team. We applaud all of our bowlers who represented Central High School in such a positive way: Tiffany Caldwell, Emmanuel Cisco, Ramon Hernandez, Chi-que Jones, Karriem Lunsford, Rawle Melville, Sharita McNair, Raheem Northfleet, Aquil Onque, Sean Tinsdell

REV. M. A. ZIMMERMAN
GREATER ABYSSINIAN BAPTIST CHURCH
88 LYONS AVENUE
NEWARK, NEW JERSEY

To: THE 1992 GRADUATING CLASS OF
CENTRAL HIGH SCHOOL
NEWARK, NEW JERSEY
FROM: DR. JEAN S. ADILIFU
ASSISTANT EXECUTIVE SUPERINTENDENT

Your graduation marks that "one moment in time" where an "ending" is called a "beginning". Your formal public education has successfully ended and you are at the beginning of a life that will stretch into a new millennium. May your lives be filled with Challenges that will allow you to grow; Knowledge that allows you to succeed; and Peace that unites all of us and makes everything worthwhile.
